At Tarkett, over 125 years of design expertise goes into each plank. Responsibly engineered from multiple layers of hardwood for increased stability, each floor is sealed with a lacquer or hardwax oil for improved durability and easy maintenance. More than 60% of our wood is FSC® (FSC®-C008972) or PEFC™ (PEFC™/05-35-125) certified. All our parquet floors from 10 mm thickness are Cradle to Cradle® certified..
